

REMARKS

The Notice of Non-Compliant Amendment dated February 3, 2006, has been received and reviewed. Additional changes to the specification have been made herein and have been combined with the prior changes made to the specification in the Preliminary Amendment and Response to Restriction Requirement dated November 30, 2005 that were rejected in the non-compliant amendment. No new matter has been added. The amendments to the claims address typographical errors. The amendments do not surrender any scope of any claim as originally filed.

The amendments set forth herein are intended to supersede any amendments provided in the PRELIMINARY AMENDMENT AND RESPONSE TO RESTRICTION REQUIREMENT mailed on November 7, 2005. However, the Examiner is directed to the PRELIMINARY AMENDMENT AND RESPONSE TO RESTRICTION REQUIREMENT mailed on November 7, 2005 with regard to Applicants election regarding the issued Restriction Requirement.

The Applicants again request entry of the amendments as set forth herein prior to examination of the application on the merits.

Respectfully submitted,
